## Certificate of Appreciation

**ARHAAN JAIN**

In recognition of your effort, passion, and dedication to Expo 2020 Dubai's Community Art Programme "Hammour House", we wish to personally thank you for everything that you had done to bring this project to life. Hammour House was developed with the belief that empowering the community and relying on our shared energy together to respond to environmental themes artistically and creatively is a key ingredient towards more effective and holistic methods of raising awareness as well as realizing a more sustainable future for our planet. The engagement of Expo 2020 Dubai's visitors and the feedback shared is a clear testimony to the success and effectiveness of the Programme, which you have played a significant role in developing and running.

Hammour House would not have been possible without the support and drive of community members such as yourself!

Thank you,

The Expo 2020 Senior Management Team
