Dear YAP student,

Congratulations! Seeing your exhibition makes us incredibly proud of you. Thank you for your dedication, hard work and talent.

Your active participation and creativity made YAP extremely engaging and exciting for all of us.

As summer sets in and whether or not you go off on your travels, don't forget to visit the local art museum wherever you are. Remember to keep looking, asking questions and creating!

On behalf of everyone at thejanjar, I wish you an inspiring summer and look forward to having you with us again for the next edition of YAP!

Warmly,

Hetal Pawani
